Dear Parents, Carers and Community Members,

It’s been another busy fortnight at school. Students have been busy learning and taking part in our extracurricular events including NAIDOC at Benarkin, tennis lessons and swimming lessons.

Would you like to get the Cooyar State School newsletter emailed to you? Please provide the office with your email address.

You can also access newsletters on our website at cooyarss.eq.edu.au.

Parent Email

This year we are trialling a parent email. These emails will be sent on Fridays with any reminders for the following week. At this point in time we only have a few parents who have signed up for this new initiative. Feedback from them has been very positive. Please sign up at the office if you would like to receive these parent emails.

Last Monday’s Special P & C Meeting

On Monday 29th February, a special P & C Meeting was held for parents to vote on several funding initiatives for the school for 2016. Our P & C very generously voted to support the school through $19,000 towards the following initiatives and improvements at Cooyar State School for 2016:

- $11,528 towards the upgrading of the Prep Kitchen Area and the removal of the wall in Mrs Duncombe’s middle classroom to create a more open learning and teaching space for students.
- $5,000 towards Senior Camp to Winton and Longreach in September.
- $1,500 towards online subscriptions to Reading Eggs and Mathletics for student learning.
- $1,000 towards our Brisbane Sound of Music Trip in the last week of Term One.

We thank the P & C for their continued support and we thank Parents for contributing to our annual Trail Bike Ride which raises these funds that can be used to benefit our students. This work will take place over the first week of the Easter holidays. In the second week of the holidays, staff will be at school for a working bee, setting up and organising the new areas for students.

SCHOOL WATCH 13 17 88
From the Principal...

**Rewarding Book Work**
Over the past several weeks, our staff have been working on a school Book Work Policy. This Thursday is my first Book Work Walk Through of classrooms to view the quality and presentation of student work in their work books. We have high book work expectations that will be fostered by all staff and rewarded on a regular basis. I look forward to seeing our student’s work.

**THANKYOUS**
A special thank you to the following members of the Cooyar Community:
- Dale Barron for supplying manure for our garden and orchard. Thank you to Rylie for organising this with his uncle.
- Cathy Davies for donating sacks for sack races to the school.

**Social Skill Lessons**
As well as discussing the Social Skill of the Week in classrooms and on parade, each Friday, students take place in Social Skill lessons that focus on our school rules. On Friday, students began filling in a school rules matrix in mixed year level groups and led by our Senior Leaders. It was great to hear students of all ages contributing to our lists of how we can Be Safe, Be Responsible and Be an Active Learner in the classroom, playground, during transitions and outside of school.

**NRL Visit**
Last Tuesday we had a visit from Colin Huxtable, our NRL Development Officer, and NRLs Brent Tate. Colin and Brent ran activities for the school based around the themes of healthy living and wellbeing. Brent was happy to sign student items at the end of the presentation and gather for a whole school photograph. Photographs have been included in this newsletter.

**SCORE Reading Framework**
At Cooyar we are working through our SCORE Reading Framework. We are teaching students to use the following strategies when reading any text:
- Skim and Scan – To get an idea of what the text is about. To find information.
- Connect and Question – Connect to self, texts and world.
- Organise your Thinking – Text type and structure.
- Read and Reflect – use your reading strategies, read each word, answer questions and retell.
- Be the Expert – choose the best answer.
We encourage parents to ask their children about these strategies to support our learning at school.

**Sport at Cooyar**
This term, students are taking part in numerous sporting activities and opportunities including:
- Weekly swimming lessons
- Weekly tennis lessons
- Weekly ball skills lessons (Fridays)
- Daily Gross Motor Development activities and Cross Country training
It is great to see students being healthy and active at Cooyar State School. Sports is another way of developing supportive relationships between students and developing the leadership abilities of our Senior Students. I congratulate the Senior Leaders on their coordination of sporting equipment at lunch times, and their leadership during sports lessons and activities.
Sound of Music Excursion to Brisbane

On Wednesday 23rd March (the last Wednesday of school), we will be travelling to Brisbane to see the Sound of Music at the Queensland Performing Arts Centre. This is a very exciting experience for students. Permission notes and invoices were sent out at the beginning of this week. Please return these to the office by Friday 18th March, 2016. For the first half of the day, Junior and Middle students will visit the Science Centre and Senior students will visit the Maritime Museum. We will have a pizza dinner at South Bank before we return to school at the conclusion of the performance at 4.00pm. We should be back at school by approximately 7.00pm.

Cross Country

This year’s Cross Country will be held at Tanduringie State School on Thursday 14th April, 2016. This is Week One of Term Two. Students will be travelling to and from the event by bus under the supervision of Mrs Spencer, Mrs Duncombe and Mrs Sloss. Please return tuckshop notes and permission forms from last fortnight’s newsletter to the office. Students are training for this event three mornings each week and are encouraged to practice at home as well. It is great to see students who are working hard and showing leadership during training sessions rewarded with awards on Parade over the last three weeks. Keep up the great work!

School Photographs

On Thursday 17th March, 2016 (Week 8), we will be having school photos. Please return order forms from last fortnight’s newsletter. We ask that all students wear full school uniform and are well presented on the day.

Cooyar Local Excursion Permission Note

Attached to this newsletter, is a permission note for students to participate in local excursions within the Cooyar community throughout this year. This permission note will replace individual permission notes each time students leave the school for local events that can be reached by foot, for example, Pizza in the Park, Cooyar’s Greatest Morning Tea, and Geography excursions. We will inform parents of when students will be leaving the school on walking excursions. If bus transport is required, a permission note will be sent home.

Cooyar Cash Rewards Week

From this week, students can sign up for Cooyar Cash Rewards. There are a range of popular reward options for students to select. At last week’s Staff Meeting, Teachers and Teacher Aides organised these activities and supervision of them. Students can choose from fishing, pizza in the park, My Kitchen Rules, cupcake party, leather work, special lunch, dance party and gaming afternoon. This is the opportunity for students to spend the well-earned Cooyar Cash that they have been rewarded with throughout the term for following our school rules.

NAIDOC Celebrations Week 7

On Monday 7th March, we travelled to Benarkin State School for our NAIDOC Cluster Celebration Day. This day was funded from RREAP (Rural and Remote Education Program) funding that the school and cluster receive. Students enjoyed participating in a range of cultural activities on the day including fire making, boomerang and spear throwing, dot painting, dreamtime stories and ochre painting. We thank Benarkin State School for hosting this day.

Visitors to the School this Fortnight

Over the past fortnight, we have had the following visitors to the school:

- Narelle Sandford – Guidance Officer
- Charlotte Boyd - Speech Pathologist.

All of the above staff support our school through our Kingaroy South Cluster. We work with these specialist staff throughout each year to provide extra support to our students.
From the Principal...

Assistant Regional Director Visit
On Thursday 3rd March, Debbie Hails, our Assistant Regional Director, visited the school for her Term One visit. Debbie visits the school each term, visits classrooms and meets with me to discuss the school’s improvement agenda. As I shared with staff at last week’s Staff Meeting, we should be very proud of the feedback that we received from Debbie during and after her visit. Debbie commented on the engagement of students in classrooms, the effective use of Teacher Aides, consistency of expectations across the three classes and the effective use of teaching spaces for our new class structure. Walking around with Debbie, it was evident that our students are engaged in learning and are being guided and explicitly taught by great staff. I thank all staff for their continued efforts in providing the best possible learning for each of our students.

School Banking
Please note that our school banking day has changed to WEDNESDAYs for this year. Banking books can be brought to the office each Wednesday, from where Mrs Davis will take them to the Bendigo Bank in Yarraman. Thank you Mrs Davis for organising the banking for us.

Swimming
This is the last week of school swimming at Yarraman. It has been a pleasure to see the development and progress of students over the past seven weeks. Instructors have also commented on this progress. Swimming will take place again in Term Four. Please remember to wash rashie vests between swims and return these to the school, cleaned, at the end of the swimming season.

School Dental Van
The School Dental Van moved into the school this week. Thank you to families who have returned Dental Van notes. The Dental Van will contact you with appointment times for students.

Tennis Lessons
Tennis Lessons are continuing until the end of the term. We continue to received enthusiastic feedback from students about tennis lessons.

Bi-Annual School Camp 2016
Camp planning continues. In the last week of Term Three, our Year Five and Six students will be heading out west for this year’s Senior Camp. We will be making our way to Longreach and Winton via Carnarvon Gorge and back via Sapphire and Emerald. Planning and budgeting is already underway for this trip. While this is the major contribution of the school P and C, parents will be invoiced for $100 per child towards this year’s camp. Invoices will be sent home in Term Two to give families plenty of time to pay off the camp cost over two terms. More camp details will be published in the newsletter closer to the camp dates.

Book Fair Has Arrived!
Book Fair has arrived at Cooyar. From Tuesday of this week, Mrs Gibson organised and has run another great Book Fair. You can access Book Fair from 8.00 - 8.30am each day and from 2.30 – 3.00pm on Thursday and Friday. Thank you to Rowena for organising this great event for the school.

Furniture Available for Donation
Over the Easter Holidays, new storage shelves will be assembled in the Junior Store Room. We currently have seven large metal shelves that we will be offering to families or members of the Cooyar Community for a $20 donation per shelf. They will need to be removed by the holidays and it will be a first come, first served policy. They will be sold as they are. We ask that donations are paid on reservation of the shelves and your name will be put on them for pick up. If you are interested, please come in and have a look at the shelves on offer.

Our School Rules and Behaviour Expectations
Each week, we review our School rules and explicitly teach expected behaviours associated with these rules on parade and in the classroom. This week, our focus is on being a safe and responsible learner when transitioning around the school. We appreciate parents following up on our weekly social skills focus by engaging in conversations with students at home.

</table>
From the Principal...

If your child will be absent...

Thank you to parents for contacting the school when children are going to be late or absent. It allows us to record the attendance data accurately on our system. A reminder that if you know that your child will be absent from school or late to school, please inform us by writing a note in your child’s KIT Book. Alternatively, please give the school a call and leave a message if your child will be absent from school. You can ring and leave a message at any time, day or night. As school staff follow up on all students that are absent, your support will save us valuable learning time. Thank you for your support.

Community Playgroup

Our Community Playgroup is going strong. Last week I got to see a whole range of robots that were created by our Playgroup children. All community members with children under school age are invited to come to community playgroup meeting at the school. This is not a school playgroup. This is a playgroup for any families in Cooyar and surrounding towns and areas. It is an opportunity to meet with other families, engage your child in early learning and exploration and be able to access hand on school resources. Mrs Rowena Gibson will be coordinating the playgroup each week on Tuesdays from 8.30 – 10.30. We look forward to seeing families at school each Tuesday.

School Lunches

As the term winds down and students are growing tired, we ask parents to be aware of packing a large and healthy, ‘brain food’ filled lunch box for their children. It is important that students have the sustained energy that they need to concentrate and focus throughout the whole day. It is a long day for students when they are leaving home at 7.00 in the morning and arriving home after 3.00pm. Brain food includes sandwiches, cheeses, yoghurt, meats, fruits and vegetables.

School Arrival

Please note our start time of 8.30am. Supervision will be provided for students arriving at school from the school bus arrival each morning. Non-bus students can arrive at school between 8.00am and 8.30am each day. Our daily Gross Motor Development Program will run from 8.00 to 8.30am each morning. Just a reminder that we ask parents not to drive into the school grounds in the mornings. This is to keep our students safe on their way into and out of our school.

School Pick Up in the Afternoons

Please note that Cooyar State School is not able to offer After School Care to parents. It is expected that students will be picked up between 2.30 and 2.45pm. Furthermore, if you are picking up your child of an afternoon, it is expected that your child will stay inside the school grounds until they have informed the bus duty teacher/ teacher aide that you have arrived and that they are leaving. If your child catches the bus, please inform the teacher on bus duty that your child is going home with you instead of catching the bus. Student safety and protection is of great importance to all school staff. Thank you for your support in this matter.

P & C Meetings Term One

There was an overwhelming turn out to last Monday’s special P & C Meeting. We look forward to seeing parents at each of our monthly meetings. P and C Meetings are another great way to stay informed about the school. I look forward to seeing you all at the next meeting on:

- Monday 21st March, 7.30pm

Sending Money into the School

Even though BPOINT is our preferred payment method at the school, if parents are sending in money, please ask your child to post it in the money box secured to Mrs Ehrich’s desk. Please do not leave money in the office unless it is posted into the letter box.
From the Principal...

**Homework and Home Reading – Lunch time catch up**

This year, we will not work on the three strike system for homework and home reading. Instead we will continue running a lunchtime Reading Club and Friday Homework Club for students who have not completed these activities as part of their homework. It is expected that students will read aloud to parents each week night and that parents will initial home reading folders. If home reading has not been done, or signed, students will be required to attend a lunchtime reading club for the first 10 minutes of first break. Furthermore, students who fail to hand in completed homework on a Friday will be required to complete their homework at Friday Homework Club at first break. These catch up sessions will allow students to catch up on important homework activities.

**School Payments**

Please note that BPOINT is the new payment system being adopted by the Department of Education and Training. Thank you to parents who have tried the new system over recent months. Please feel free to contact the school and have us step you through the system. The advantage of BPOINT is that payments are directed to specific activities allocated to a specific student. It is an online system, similar to BPAY, where you can pay school invoices quickly and securely. You can use any computer, tablet or smart phone to pay invoices from the school. To use this method log onto www.bpoint.com.au/payments/dete. You then enter the BPOINT details from the bottom of your invoice into the boxes to make the payment. If you have any difficulty accessing this page, please visit the school office with your invoice and we can open the website for you. BPOINT is our preferred method of payment over the coming year as it saves us administration time in following up payments. Please try BPOINT for your next school invoice.

**Gold Behaviour Awards**

Gold Behaviour Awards recognise the students who continually strive to meet our school rules and expectations. At the end of each term, students who have not received any red cards will be awarded the Gold Behaviour Champion Award on parade. At the end of the year, students who have received four Gold Behaviour Awards will be presented with a medallion at Presentation Night. Behaviour is an important part of learning at Cooyar State School.

**Purchasing School Uniforms**

At P & C Meetings in 2015, a new process of ordering school uniforms was decided upon. School uniforms will now be sold as part of a tuckshop order on Wednesdays. This will be the only way to order school uniforms. Payment will have to be made at the time of ordering. Parents can add the school uniform order onto the tuckshop bag and send the money in the tuckshop bag. The P & C will issue a receipt for the order at a later time. A price list for uniforms is attached to this newsletter and will be updated as new stock arrives.

**PE Week Nine**

On the last day of school, Thursday 24th March, Mr Smith will be at Cooyar to run PE. We are asking any parents who would be able to come and run rotations, to let the school know. It will run for the first session from 8.30 – 10.30am. We would greatly appreciate your time. The more parents we have, the more rotations we can run. Mrs Davies and Mrs Dionysius will also be working with Mr Smith on the day.

**Parade Week 9**

On the last day of school, Thursday 24th March, we will be running parade at 2.00pm. This will allow us to run PE for the full morning session on this day. It will also be a nice way to end the term celebrating our achievements and rewarding our Silver Spelling and Gold Behaviour Champion Awards to students.

Have a great fortnight,

Yours in Education,

Kendall Seccombe
Only two weeks of term left and so much to do! Students have been counting days on our calendar each day until our trip to Brisbane (and until Keira and Mitchell’s Birthdays!).

Yesterday we spent (most) of our Cooyar Cash on a Celebration Week activity. I am sure your child has shared what they will be doing. It was a very exciting time. We still have a couple of children just short of $100 but I am sure they will be working hard to buy something within the next few days.

We have been reading some great picture books in English and have started looking at how narratives are structured and what makes us want to read them! In maths Year One carried out a survey of students of their favourite animals. The data they collected they collated and represented in a bar graph. Lots of maths terms there – see if they remember any of it! Preps have been looking at patterning around them. We discovered there are patterns in lots of things that we see, lots of things that we hear and even lots of things that we do!

Last week of swimming. As always, thanks again to our helpers. If there is anyone available for our last lesson we would be very appreciative.

Remember if you ever have any questions or just want to pop in to see your child’s work you are very welcome.

Bronwyn Spencer
How quickly have the last two weeks flown by? We have had the exciting visit of Brent Tate, tennis lessons and the NAIDOC Day excursion in our last fortnight to keep everyone busy.

Students have been immersed in their Science topic of living things with the introduction of our class caterpillars. They have had the chance to see the whole life cycle of the butterfly at the school and continue to eagerly await the arrival of some butterflies yet to emerge from their cocoons. Each morning students are observing changes in our caterpillars. We are finishing our assessments over the next fortnight.

Our maths focus over the next two weeks will be on measurement, in particular length. Students will also be completing some assessments on addition and subtraction problems.

In English, students have been keeping up with their home reading which has been great to see. It is very important that all books are returned each day with their reading signed.

With our SCORE reading framework, children have so far learned what the S and C represent and now are working on O for organising our thinking.

"Fantastic Mr Fox" is still keeping our class entertained as we continue through the book. Students are eager to watch the movie based on the book. Permission forms will go home shortly due to the movie being PG rated.

Year 2/3’s worked hard on their spelling over the week and have made some good results.

I have been impressed with students’ efforts in our class narrative writing activities and over the fortnight students will be writing their own independent stories for assessment.

In History lessons, students will be reviewing some commemorative days in our year and looking at changes to places over time.

Tania Duncombe
From the Classroom...

**Senior News—Year 4, Year 5 and Year 6**

Visiting the classroom last Thursday with Mrs Hails was a great opportunity for me to see the students engaged in their Science with Mrs Sloss. Many students were able to describe what they were learning and discuss their projects with myself and Mrs Hails. From life cycles to adaptations, I encourage all parents to ask their children about what they are learning in Science.

We are continuing our explicit teaching of the parts of grammar. We have even been breaking down our Charlie and the Chocolate Factory pages into the various parts including:

- Nouns, verbs, adverbs, adjectives, prepositions, pronouns, conjunctions and articles.

We continue working on our Narrative writing. Ask your child/ren to share with you the four reasons for creating a new paragraph when we are writing.

- New setting
- New situation
- New time
- New speaker

In Mathematics we are working on the following focuses:

- Year Six—we are moving on from inserting mixed, improper and proper fractions on number lines, to adding fractions with common denominators.
- Year Five—we are moving on from rounding to the nearest 10 and 100 to addition and subtraction.
- Year Four—we are continuing to work with four digit numbers and extending to addition and subtraction of these numbers.

As a class we have been learning about factors and multiples. Ask your child to explain the difference to you. They can draw a diagram to help explain it to you.

In art we are continuing to learn about perspective drawing using perpendicular lines. Students have found this challenging and we are learning strategies to help make it easier for us. Over the term, students have made great improvement and confidence has increased.

Over the next three weeks, reading assessment will take place in the Senior Classroom which will contribute to Student Learning Goals from Term Two.

NRL VISIT
Brent Tate and Colin Huxtable
Student of the week...

Week 5—Term 1

Prep—Year 1— Alexis Gibson for helping other students and doing extra work. Being Responsible.
Year 2—Year 3—David Munt for his enthusiasm towards reading. Being an Active Learner.
Year 4—Year 6—Ben Duncombe for following class routines. Being Responsible.
Playground—Ben Duncombe for great effort at Cross Country Training. Being Responsible.

Week 6—Term 1

Prep—Year 1— Cody Duncombe for showing maturity towards his learning. Being Responsible.
Year 2—Year 3—Rohan Duncombe for fantastic improvement in writing. Being an Active Learner.
Year 4—Year 6—Holly Barron for working hard in class. Being an Active Learner.
Playground—Ethan Williams for great effort at Cross Country Training. Being Responsible.
Cooyar State School P&C Association
Special Meeting held on 29th February 2016

Meeting Opened: 7:35pm

Present: Kendall Seccombe, Jacinta Ryan, Scott Duncombe, Christine Duncombe, Jennifer Scherger, Mark Smith, Katrina Davies, Bill Brown, Chole Davis, Sheena Ehrlich, Shane Gibson, Chris Mylett, Greg Ryan, Paul Barron, Michael Duncombe

Apologies: Brooke Munt

Subject: P & C Association's financial contribution to classroom renovations

- Kendall presented the proposed plans for the Prep area upgrade and Middle classroom wall removal, along with quotes and costings of the project, and requested financial support from the P & C.

- Jennifer moved that the P & C contribute $11,528 toward the Prep area upgrade and removal of wall in Middle classroom. Seconded Chole. Carried.

- Paul moved that the motion from the previous General Meeting “to reinvest $50,000 in Term Deposit for 3 months” be rescinded. Seconded Chris. Carried.

- Christine moved that $35,000 be reinvested in Term Deposit for 3 months. Seconded Jennifer. Carried.

Kendall presented the Annual Implementation Plan / School Improvement Priorities for 2016.

Meeting Closed: 8:05pm
