Date Claimers:
22 October—Science Circus
26 October—P&C Meeting 7.30pm
27 October—Yarraman HS Transition Day 1.15pm
29 October—Kendall visit to Maclagan Kindergarten
31 October—Maclagan Kindergarten Cent Sale
2 November—RREAP Celebration Day at Linville

So our information can stay up to date, please advise the school of any changes to your:
- Address
- Phone numbers
- Medical conditions
- Medication

Thank you.

Newsletters by Email.
If you would like to receive a copy of the Cooyar Chronicle or any other notes by email, please send in your email address to me and I can place you in my Outlook Contacts. It is a great way to receive notes and save paper.

Morning Reading Program
We have reviewed our morning reading program and have made a time change from 8.30 – 9.00 to 10.00 – 10.30am each day. This will allow teachers to be with the class from 8.30am and also allow Parade to return to 8.30am on Thursdays. The morning reading program will begin in Week 2.

Parade Changes
Parade is returning to Thursday 8.30am. We hope to see you there!

Pupil Free Day Week 3
This Monday 19th October was a Pupil Free Day. Teachers spent the morning at school and the afternoon at Cluster Moderation at Nanango State High School. Teacher Aides spent the day at school preparing our Role M resources.

Our Key Priorities in 2015 are Writing (underpinned by Spelling), Reading and Numeracy.

37 School Days to go…. Let’s make each one count!

Dear Parents, Carers and Community Members,

What a weekend. I’m sure everyone involved would have to agree that our Cooyar P and C Trail Ride runs like a well-oiled machine. I would like to take this opportunity to thank:

Families in our school community who volunteered their time for our annual event.
Members of the school and community who don’t have children at the school who came and gave their time for the weekend.
Our local land holders who generously donated their land, no matter how dry their country was.
Our P and C Association who have worked tirelessly throughout the year to plan, organise and run this great event.

I know that many people would have been ready to fall asleep on their feet after many hours of work over the weekend. I was very proud to be part of such a great school event. I’m already looking forward to next year.

SCHOOL WATCH 13 17 88
School Finance Audit
Last week, Kellie Reid came to our school to conduct a two day Finance Audit. Kellie worked with Anne and I over the two days to review our administrative processes and procedures. We received a very positive report with some small recommendations for future implementation. These reviews are valuable in the process of streamlining our administrative processes.

2016 Invest for Success Grant (replacing Great Results Guarantee)
Teachers around the state have been campaigning the government for a needs based funding model for 2016 and beyond. We have received positive news for 2016, that the model is coming closer to that of a needs based one, with our indicative 2016 funding increasing by over $10,000. While official figures will be released after Day 8 of Term One, 2016, this increase creates great opportunities for our school in staffing our three classrooms.

Classes for 2016
After reviewing the needs of our students, we have decided to redistribute classes in 2016. In 2016 there will be a:
- Prep/One Class (Junior)
- Two/Three Class (Middle)
- Four/Five/Six Class (Senior)
These new classes support a focus on smaller classes in the P – 3 end of the school. If you would like to discuss this new structure, please do not hesitate to call in and see me.

Assistant Regional Director’s Visit
This Thursday, Debbie Hails will be visiting our school on her final visit for 2015. Debbie visits the school each term and meets with principals regularly throughout each term at Cluster Meetings and Principal’s Meetings. Her support is invaluable. Please feel free to visit Thursday morning and say hello to Debbie during her visit.

Cooyar Cash Rewards Term Four
Our sign up for Cooyar Cash Rewards week Term Four is already up. We are encouraging all students to work towards their preferred reward for our final rewards week for 2015. Our rewards have been very successful this year, and through a few changes, we have kept it fresh and appealing to students. We look forward to continuing this next year.

After School Sport
With funding from the Sporting Schools Grant, from Weeks 2 to 9 this term, we will be offering after school sport at Cooyar State School. From 2.45 – 3.45pm on Monday and Tuesday afternoons, students can stay to take part in after school sport with Mrs Duncombe and assisted by Mrs Davies. If you would like you child/ren to participate and you have not yet filled out a permission note, please contact the office. Parent helpers will not be required at this stage. Please note that parents are responsible for transport arrangements for their child/ren at 3.45pm.

Music Term Four
This term, Mrs Duncombe and I are teaching music knowledge and skills to our students. In the Middle and Senior Rooms, students are learning how to read music, play notes on the recorder and are working towards playing Silent Night to accompany our Junior Room singers. Students have been very keen to learn the tune and I appreciate the patience of parents who have been listening to keen students practising at home. We look forward to preforming for you at this year’s Presentation Night.

Senior Shirts
Senior Shirt letters were sent out from the P & C at the end of last term. Please note that payment must be made at the time of ordering. We thank the P & C for continuing their generous tradition of subsidising Senior Shirts for our future Year Six students.
From the Principal...

Chaplain
Our School Chaplain is Wendy Chapman. Wendy joins us each Monday at Cooyar. Wendy is available to talk to parents on Mondays and also can meet with students. After a student’s first visit to Mrs Chapman, parents will be required to complete a permission form to allow their child to continue to meet with Mrs Chapman. Mrs Chapman also runs a lunchtime club at first break and works with students in class.

End of Year Family Dinner and Presentation Night – TIME CHANGE to 5.00pm Start
This year we are trialling a new presentation night. This year, presentation night will take place on Friday 4th December at 5.00pm. The night will begin as presentation night and move into a ‘family dinner’. All parents and family members who attend the presentation night are invited to stay and continue the night with a whole school family dinner. The P & C will be providing the meat for the barbeque and we ask that families who would like to stay for the dinner, provide a salad or dessert to share. More information will be released closer to this date.

Graduation Dinner
This year we have decided to have a ‘Dinner Under the Stars’ to celebrate the Year Six graduation. This will be held on Tuesday 8th December at 6.00pm at the school. More information will be released closer to this date.

Awards Night 2015
At a recent staff meeting, it has been decided that we would review the awards that will be presented to students at our Presentation Night. We wanted to align the awards with our school values; hence, we have decided to replace our awards with:

- **Be Safe Award** - recognising behaviour through following all of our school rules inside and outside of the classroom, during excursions and on the school bus (if relevant).
- **Be Responsible Award** – replacing our Community Award and recognising the student who take responsibility at school each day, show leadership and set the example for their peers.
- **Be an Active Learner Award** – replacing our Academic Award and recognising the student in each year level who is displaying all aspects of being a dedicated and high achieving learner.

2015 Cooyar Trail Ride – Thank you
Thank you to families who volunteered their time for this year’s trail ride. This year, the P and C have donated $4665 to the school to fund our PM Readers and online subscriptions to Mathletics and Reading Eggs. Next year, our Senior Students will benefit from this year’s ride with a school camp. Every second year, the P and C cover the majority of the cost of camp for Senior Students. This adds up to thousands of dollars. By covering the costs of these events, the P and C save parents hundreds of dollars; hence the expectation that all families will contribute time to the annual trail ride. Next Saturday, 24th October from 2.00pm – 8.00pm at the school, we will be having a game of sport on the oval and a barbeque. We would like to invite all landholders and volunteers, including SES workers and the Rural Fire Brigade. Hope to see you all there.

Homework and Home Reading – Lunch time catch up
This year, we have not worked on the three strikes system for homework and home reading. Beginning this term, we will be running a lunchtime Reading Club and Friday Homework Club for students who have not completed these activities as part of their homework. It is expected that students will read aloud to parents each week night and that parents will initial home reading folders. If home reading has not been done, or signed, students will be required to attend a lunchtime reading club for the first 10 minutes of first break. Furthermore, students who fail to hand in completed homework on a Friday will be required to complete their homework at Friday Homework Club at first break. These catch up sessions will allow students to catch up on important homework activities.

Our School Rules and Behaviour Expectations
Each week, we review our School rules and explicitly teach expected behaviours associated with these rules on parade. This week we will be focussing on being responsible in the playground.

- Walk bikes in the school grounds, to and from the bike racks  
- Always wear a helmet when riding a bike  
- Move directly to and from school  
- Use paths to enter and exit school |
From the Principal...

**School Payments**

BPOINT is the new payment system being adopted by the Department of Education and Training. Thank you to parents who have tried the new system over recent months. Please feel free to contact the school and have us step you through the system. The advantage of BPOINT is that payments are directed to specific activities allocated to a specific student. It is an online system, similar to BPAY, where you can pay school invoices quickly and securely. You can use any computer, tablet or smart phone to pay invoices from the school. To use this method log onto www.bpoint.com.au/payments/dete. You then enter the BPOINT details from the bottom of your invoice into the boxes to make the payment. If you have any difficulty accessing this page, please visit the school office with your invoice and we can open the website for you. BPOINT will become our preferred method of payment over the coming year. Please try BPOINT for your next school invoice.

**Recognising Behaviour Champions**

Beginning this term, we will be awarding golden behaviour certificates to students who have followed the school rules each day for the whole term without a red card. This award is recognising the students who continually follow school rules and do not get red cards. These special awards will be presented to students at the end of each term. From next year, we are working towards an end of year achievement award for students who achieve four gold certificates in a year - that is, following our school rules and receiving no red cards for the whole year. This is an important achievement to recognise. Throughout each term, we will be encouraging all students to aim for these special awards.

**Silver Spelling Champion Awards**

Beginning this term, we will be awarding a Silver Spelling Champion Award to students who achieve 100% in every spelling test for Term Four. This award will be presented at the end of each term from Term Four, 2015. We have three students in the Middle Class in the running for this award and a large group of students from our Junior Classroom. We look forward to seeing who achieves this special award at the end of the term.

**High school 2016**

Both Yarraman and Nanango have been working with us to organise transitions for our Year Six students. Our next whole day Transition is on Thursday 3rd December, 2015 at both Yarraman and Nanango High Schools. A permission letter will be sent out closer to the date.

**Yarraman Transition Term Four**

This Term, Yarraman State School will offer a fortnightly transition for Year Six students attending Yarraman in 2016. The remaining dates are:

- 27th October – Tuesday - 1.15 – 2.45pm – lunch time followed by classroom visit.
- 11th November – Wednesday - 1.15 – 2.45pm – lunchtime and full school assembly
- 26th November – Thursday - 1.15 – 2.45pm – lunchtime followed by workshop (SEL lesson Star Values, Vivos, computers, High school timetables and expectations).
- 3rd December – Thursday – Full day transition with rotational activities.
- 30th November to 4th December – Interviews with Year Six Parents and Students.

Please note that parents must organise their child’s transport to and from Transition sessions.

**Premier’s Reading Challenge 2015**

Students who completed the challenge enjoyed their morning tea in Week One of this term. A photo of our champions munching away on their delicious treats in included in this newsletter.

**School Bus**

A reminder to parents that our school bus is now full. Parents wanting their children to go home on the bus to visit friend’s houses, cannot be guaranteed a place until the bus roll is called and we find out if there are spare spaces. We ask parents to make alternative arrangements for such visits.
From the Principal...

**Booklists for 2016**

As teachers, we spend a lot of time carefully considering each item that we put on a booklist. We take into account cost for parents and needs for student learning. We specifically choose items according to the learning need that they will fulfil. I understand that it can be easier, and sometimes slightly cheaper, to purchase exercise books in different sizes; however, teachers have chosen that size specifically for particular lessons and activities. We are asking all parents to follow the book list. By purchasing different books, students will not be able to complete activities in the same way their peers will. It is expected that all children will have their text books by the end of the first week of the new school year. Photocopying pages for students who do not have text books soon becomes costly for the school and disadvantages your child. Thank you for your support in this matter. School booklists will be released early next week. If parents are not able to order online they are welcome to come to the school office and bring their credit cards. Mrs Ehrich will be able to help you to order through our system.

**Community Playgroup**

Community Playgroup begins this week and will continue until week 9 of this term. It will continue throughout the Prep Transition Program from Weeks 6 - 9. During these weeks, Mrs Sharon Duncombe will be facilitating the playgroup, while Mrs Tania Duncombe facilitates Prep Transition. We invite all members of the community to join us on Tuesdays from 8.30am for Playgroup. Playgroup will run until Week 9 of this term. Our playgroup is an opportunity for all families in the wider community to meet and provide engaging 0 – 5 Year learning experiences for their children. Each week will have a book focus with activities combined with sensory play and outdoor play and exploration. We will finish our playgroup morning with a communal morning tea (parents please bring a plate to share) while the children get to join the rest of the school for a lunch time play. Please invite any families out in the wider community that you know of. Pre-school learning and engagement is the first step in the journey towards education for your child. We look forward to seeing as many families at our playgroup as possible.

**School Website**

Did you know that our school website contains all of our school newsletters and information about our school including date claimers, news items, tuckshop menus and enrolment forms? Our website is a one-stop-shop for our school. When you have a minute, log onto [www.cooyarss.eq.edu.au](http://www.cooyarss.eq.edu.au) and have a browse through the wealth of information available to all members of the public, including prospective students.

**Attendance**

Due to our system being down this week we are unable to provide our schools percentage for attendance however we will in our next Newsletter. Our Regional Attendance benchmark is 92%. Thank you to parents for contacting the school when children are going to be late or absent. It allows us to record the attendance data accurately on our system. A reminder that if you know that your child will be absent from school or late to school, please inform us by writing a note in your child’s KIT Book. Alternatively, please give the school a call and leave a message if your child will be absent from school. You can ring and leave a message at any time, day or night. As school staff follow up on all students that are absent, your support will save us valuable learning time. Thank you for your support.

**Absences**

Please be aware that if your child is absent for 3 or more days, a doctor’s certificate is required from the school to verify the absence. If students are absent for a period of over 10 consecutive days, parents are required to apply for an exemption from compulsory schooling. With a recent spate of sickness, it is important that parents are aware of these requirements.

**P & C Meeting**

Please join us for the next P & C Meeting on Monday 26th October at 7.30pm.
From the Principal...

**Bendigo Bank School Banking**
School banking is a great opportunity to teach children about money, savings and budgeting. If you would like your child to participate, visit the Yarraman Bendigo Bank Branch for more information. School banking will be collected at the school each Tuesday.

**Prep Transition Days**
All families in the community with Prep aged children for 2016 are invited to attend our transition. Dates for transition will be:
- Tuesday 10th November
- Tuesday 17th November
- Tuesday 24th November,
- Tuesday 1st December
Prep Transition Registration forms are available from the school office and will be sent to prospective families for 2016.

**Book Club**
Book Club is a great way to purchase low cost reading resources for your children as well as help the school. The school receives reward dollars based on the amount of book club families’ purchase. We are using these bonus dollars to purchase resources and book rewards for students. Thank you for supporting school book club and in turn supporting our school. Thank you to Mrs Gibson for organising Book Club at Cooyar State School.

**School Recycling Centre**
Thank you to the community for supporting our school recycling centre. By dropping your glass and cans off to the site, you are supporting the school. It’s as easy as accessing the site at any time and sorting your glass and cans into the appropriate areas. The Toowoomba based company come and collect the material and monies are sent to the school P & C. The Cooyar Hotel has been supporting this venture by recycling glass and cans with us for many years. We invite everyone in our local community to support us in this venture.

Have a great fortnight,

Yours in Education,

Kendall Seccombe
From the Classroom...

**Junior News—Prep, Year 1 and Year 2**

A big thank-you to all the wonderful people who contributed to the 2015 Cooyar Trail Bike Ride! It was an amazing effort by all.

**Science**
Students have studied how it rains (although, wouldn’t it be great to know how to make it rain!!!) and what wind is and how it can help and harm us. They have been learning how to make diagrams in their Science journals and label them.

**Health**
Our class is learning how to be safe with lessons from the Daniel Morcombe Unit.

**History**
We have been collecting baby photos for a little fun activity leading into History. Once we have student photos then we can test our observation skills and try to match the photos to children in the class. Feel free to join in the guessing game once we have them displayed on the classroom windows.

Students are also going to be discussing items or events from the past. If you know of any interesting old items you may have at home, I’m sure the children would love to see and hear about them.

**Homework**
Congratulations to all students who consistently complete and hand in their homework each Friday and are reading aloud each night. Students with more difficult texts are now able to read half their book each night.

**Library**
On Wednesday afternoons students will be able to visit the school library and borrow books. They may return them at any time before or on the next library visit. Students need to return the last book before borrowing another.

**Music**
We have been practicing our Christmas Carols every day and students are loving performing solos of the songs. During music time on Fridays, we are focussing on singing skills and basic rhythm.

Looking forward to another great fortnight in the Junior room!

_Tania Duncombe and Bronwyn Spencer_
In the middle classroom we are working on two main objectives in English:

1. Using topic sentences and supporting sentences to make our arguments stronger. We are focussing on keeping to the same topic in each paragraph and making our argument stronger by adding in more evidence. We are finishing our paragraphs with a statement that retells everyone what we have argued in the paragraph. This links to our sentence starter.

2. Using the Sizzling Start and Conclusion (Climax) to make sure people understand what we are arguing and what we have argued at the end. Making sure it has a purpose of strengthening our argument.

In Maths we have been working on fractions. From improper fractions to mixed fractions, equivalent fractions to putting fractions on a number line, we have been developing our skills across a range of fraction activities. See if your child can explain these terms to you:

- Equivalent fraction
- Mixed fraction
- Improper fraction

In Geography we have chosen our Asian countries and have made a start on retrieving information from credible sources through the internet. We have focussed on using key words from online and turning them into our own words. We are also gathering information on the different connections to discuss them in our report.

In History, students are researching the First Fleet and the people that travelled on it. They will be learning to construct a historical narrative in the role of a convict for their assessment piece.

Each day is full of learning and review. For this reason, I ask that parents ensure that they pack a wholesome ‘brain food’ filled lunch box to get their child through the day. This also helps with concentration.

We are looking forward to our Science Circus visit on Thursday.

Have a great fortnight,

Kendall Seccombe
Middle Classroom Teacher
All students are currently working on a variety of assessment pieces with the Solar System for Science almost finished. The model of the planet will be completed this week ready for a mini solar system display at school. It has been an interesting adventure through the solar system and hopefully the children have shared their new knowledge with you.

Homework this week is again a shorter version of the usual, due to the short week. Please encourage the children to have their words dictated to them while still alert, rather than when it is late in the evening. The mathematics problems should be checked with a calculator when finished and if the answer is not correct, re-do the problem.

Words for this week are from other languages. There were a few surprises in them and the children learnt a little more about how other languages influence ours.

Geography assessment is well underway and all students have had the work modelled so that they know what to do. We are all working towards the end of assessment and end of term. It is a very busy time. Thank you to parents who support their children in completing homework and dictating spelling. We noticed some significant differences in spelling last week, when children made an effort to learn their words nightly.

Bike Ride 2015
Information from the More Support for Students with Disabilities (MSSWD) Team

Darling Downs South West Region

SHOWING LOVE

by Michael Grose

In 10 Conversations you must have with your son author Tim Hawkes suggests there are 4 ways parents show love to their children.

1. Through words Hawkes' writes, "A son(child) dispatched to school with a reminder that he is loved is a son(child) equipped to withstand the emotional and social attrition wrought by a world given to withering putdowns." Hawkes is so right, but 'I love you' are three simple words that can get caught in our throats.

2. Through deeds Hawke says, "For a parent to be congruent with their son(child), there needs to be a congruency between that which is heard and that which is seen." For some children a parent baking a cake for them is an act of love. They like the fact you made it for them more than the cake itself!

3. Through presence "In a time-poor society that is given to showing love through the gift of material possessions, the greatest demonstration of love a parent can give is the gift of time," writes Hawkes. Effective parenting is about choices, and choosing to be a presence in the lives of kids is an act of love that may not be appreciated at the time but can have a profound impact.

4. Through providing It's easy to be dismissive of the provider role that we play, but the psychologist Maslow reminded us that unless a child's basic needs - food, shelter and protection are met he will struggle to have his higher order needs such as self-esteem and a sense of belonging met. But parents need to attend to those higher needs by attending to positive values, developing a sense of purpose and developing a sense of belonging to his family through contribution.

Here's a task.

Score yourself out of ten of each of these four different ways of showing love. If the score is low in WORDS, commit to introducing more conversation into your family life.

Here are five ideas to get the talking going:

1. Share conversations through meals
2. Regularly talk about news items that would interest kids
3. Practise shoulder-to-shoulder parenting by talking in the car, or while you are active together
4. Text message or email your kids (if old enough), particularly if your preferred child's 'love language' is WORDS.
5. Write a letter and post it to your child.

You should reflect from time to time on the important stuff you do. Personally, I think activities like these are Parenting Gold.

Premier’s Reading Challenge
Morning Tea

Keep an eye on this spot next week for more photos from Cooyar Cash Rewards Week Term 3 of My Kitchen Rules and Pizza in the Park!
Week 2—Term 4

Prep—Year 2— Keira Ryan for amazing effort with her sightwords. Being an Active Learner.
Year 3—Year 4— Gabrielle Duncombe for applying class learnings to her independent work. Being an Active Learner.
Year 5—Year 6— Bree Duncombe for great writing of persuasive paragraph. Being an Active Learner.

Jasmine Clayton for spellings each night. Being an Active Learner.
Our garden is growing beautifully despite the dry weather and thanks to the children watering it. The mulberry tree even has tiny unripe mulberries on it. If anyone is thinking of growing potatoes at home, get them in quickly if you want a crop for Christmas. Remember that certified seed potatoes will produce the best crops.

Last week, the children picked the last of the broccoli and a young beetroot. We prepared both and made snacks with the broccoli and roasted the beetroot, Jamie Oliver style.

The recipes are included in this week’s newsletter after many of the children came back for seconds of both and then asked for the recipe. Whilst we didn’t have garlic cloves, we did substitute garlic infused oil in the beetroot recipe so the flavour was probably not as distinct as it could have been.

Five lovely fresh zucchinis were harvested on Tuesday morning. They were offered to families for a gold coin donation to the Student Council. With plenty of eggs and bacon left over from the Bike Ride, it is a great opportunity for a Zucchini Slice!

Enjoy the recipes!

**Broccoli Cheese Bites**

**Ingredients**

- 16 oz. chopped broccoli
- 3 large eggs
- 1 1/2 cups shredded cheddar or colby jack cheese
- 1 cup Italian style breadcrumbs

**Directions**

- Mix all the ingredients together in a large bowl.
- With your hands, form small patties and lay on a parchment lined baking sheet.
- Bake at 180°C for 25 minutes, turning the patties after the first 15 minutes.

---

**Baked Beetroot with Balsamic Vinegar**

**Ingredients**

- 455g fresh raw beetroots, scrubbed
- 10 cloves of garlic, unpeeled and squashed
- 1 handful fresh marjoram or sweet oregano, leaves picked
- salt, freshly ground black pepper
- 10 tbsp balsamic vinegar
- 6 tbsp olive oil

**Preparation time: 10 minutes**

**Cooking time: about 1 hour**  Serves 4

**Method**

- Preheat the oven to 200°C/gas 6. Tear off a strip of kitchen foil big enough to hold the beets in a parcel. If the beets are large, cut in half to speed up their cooking time; if small, use them whole. Place them in the middle of the foil with the garlic and marjoram, season generously with salt and pepper and then fold the sides of the foil into the middle. Before you seal the parcel, add the vinegar and olive oil. Scrunch or fold the foil together to seal at the top.
- Place in the preheated oven and cook for around 1 hour, until tender. Serve in the bag at the table.
